

Corporate CITY TEAMBUILDING program

Urban activities during your city meeting or congress to increase people motivation, relationships, creativity, leadership, communication skills and group cohesion.

TREASURE HUNTING : Teams challenge to locate several city points using a map and a compass; and people urban orienteering sense. Also with GPS option.

CITY PUZZLE : Teams challenge to complete a puzzle using pieces located in several city places. A very amusing and alternative way to visit and discover interesting historical, cultural, tourist and commercial city corners.

PHOTO SAFARI : Using photo cameras, teams shall discover interesting historical, cultural or gastronomy city points using an exciting challenge game. Pictures taken will provide the groups with their best journey souvenir.

CULTURAL GINKHANA : Several challenge activities placed in different city points will show you the city under a cultural view.

All the programs can be organised by food, on bicycle or using public transport. According to your company particular interest we'll organize the full activity program. We can supply corporate cups or jackets using your mark, we can supply full transportation for the group, and booking your lunch or dinner based on your timing schedule.

Prices : from 39.-€ per person (groups > 25 pax.)

from 975.-€ groups up to 24 pax.

Included : material and facilities, instructors, insurances, soft drinks during the activity.
